ACTPLA DRAFT VARIATION 351 WEST BELCONNEN URBAN DEVELOPMENT

The National Trust does not object to the proposal as it appears to consider heritage issues (natural, indigenous and cultural) with both identification and protection. It is pleasing to see these studies precede planning proposal.

The only issue is that the controls proposed in the ACT need to be extended into NSW to ensure continuous heritage protection.

It will be a positive approach to use the Belconnen Farm Heritage Precinct rather than to fence and forget it as has happened with many previous land development.

Yours sincerely

Scott McAlister
