

Call for Expressions of Interest to participate in a curated exhibition at
Belconnen Arts Centre, ACT during August 2015.

The Falls.

Unlocking the Ginninderra Falls and Surrounds.

Artists respond to the spectacular natural environment surrounding the Ginninderra Falls and consider how we balance access and development with preservation of the sites' natural and historical heritage.

Artists are invited to submit expressions of interest towards this project which will explore the Ginninderra Falls and surrounds. While the Ginninderra Falls Association continues to lobby for the creation of a national park to encompass the site (which crosses the ACT/NSW border), the falls are currently not open to the public. *The Falls* exhibition project aims to highlight the inherent value of the area and to encourage debate about its future uses.

The exhibition will be curated by Narelle Phillips, after a short list of artists has been selected from the expressions of interest. The successful artists will be given access to the site at pre-arranged times, during the period between November 2014 and May 2015.

The exhibition will be delivered in the main gallery space at Belconnen Arts Centre during 7 – 30 August 2015.

Expressions of Interest due by Friday 14 November COB.

Please include a cover letter noting your special interest in the site or subject matter, a one page CV and provide up to 6 images of relevant work which best illustrates your practice and the type of art work you would develop.

Submissions welcomed by email or post to the curator at -

bbotanic@internode.on.net

PO Box 6177 LANYON ACT 2906

The successful artists will be notified by email or phone by late November 2014.
