Dr Chris Watson
President, Ginninderra Falls Association
79 Denny Street
Latham ACT 2615

Dear Dr Watson,

Thank you for your letter in relation to the Ginninderra Falls National Park proposal. I appreciate your desire for a dialogue between Local, Territory, State and Federal governments on this issue.

My electorate does not cover the area of NSW in question; this is in the Electorate of Burrinjuck, represented by The Hon Katrina Hodgkinson MP. She would be the most appropriate person from the NSW Government to discuss the proposal with.

Minister Hodgkinson can be reached at:
