79 Denny Street
LATHAM ACT 2615

Dear Chris Watson

Thank you for your letter of 20 January 2014 outlining your proposal for a cross-border working group to progress the conversation about the declaration of a national park at the confluence of Ginninderra Creek and the Murrumbidgee River.

Contingent upon the relevant authorities agreeing to participate, I agree that a cross-border group might best be placed to consider and deal with all the relevant issues.

I note you have identified landowners as one group of stakeholders whose support you will need in order to achieve the outcome your Association is advocating. As such, I strongly urge you to ensure that landowner stakeholders are represented on the working group.

Please keep me informed of progress.

Yours sincerely

Vicki Dunne MLA
